His invisible attributes are clearly  
seen, being understood by the  
things that are made, even His  
eternal power and Godhead, so  
that they are without excuse."**

**Romans 1:20**

# NESTING IN BIRDS

How did they learn how to sing songs to  
attract mates or when to wait for mates?

Who is aware of them?

**Deuteronomy 22:6, Proverbs 27:8, Isaiah 16:2**

# NESTING IN BIRDS

*Who taught the young adults how to make a specific type of nest unique to the species of bird?*

Most birds nest in their first year.  
The parents are not around to teach them!

# NESTING IN BIRDS

*How can they choose a nest or a nest site?* The only logical answer is God gave them the knowledge!  
**Jeremiah 22:23, 48:28, Habakkuk 2:9, Mark 4:30-32**

# NESTING IN BIRDS

How does each type of bird know where  
to make their nest?

Deuteronomy 32:11, Job 39:26-30,  
Obadiah 1:4

# NESTING IN BIRDS

God has made some animals not very

**Job 39:13-18**

# NESTING IN BIRDS

**God is aware of all species of birds  
because He created them and gave them  
their intelligence and instincts!**

# NESTING IN BIRDS!

A neat thought is that even a sparrow has a Creator who watches and provides for him (**Matthew 6:25-26, 10:29-31**).

If He watches them, surely He is watching you tonight.

# NESTING IN BIRDS!

*Are you at peace with your Creator?*

*Have your sins been washed away  
through obedience to His  
commandments (Mark 16:15-16)?*

*Are you diligently serving Him?*

*Let us know how we can help you as we  
stand and sing.*
